RE: Alleged Misuse of State Resources

Gentlemen:

Thank you for your letter to Attorney General Harris concerning the alleged misuse of state resources by Professor David M. Klein. The Department of Justice is committed to upholding and enforcing state laws, and we take allegations like these very seriously.

We have carefully reviewed the letter and materials you sent to this office on April 2, 2012, in which you request we prosecute an alleged misuse of the name and resources of California State University, Northridge by Dr. Klein. Because we conclude upon review that the evidence you provided does not support a finding of misuse of such name and resources, we find no basis for any action on our part.

Once again, thank you for your letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Stepan A. Haytayan", written over a horizontal line.
