Gaza Freedom March Report-Back

Public Event for Boston University: Students for Justice In Palestine!

| Thursday, February 11, 2010 | 8:00pm until 10:00pm |

The Gaza Freedom March brought together hundreds of people from 43 countries, including highprofile
leaders, to challenge the inhumane and illegal siege on Gaza. Organized by the US based CODE
PINK and UK based Viva Palestina, the march was intended to bring hundreds of people to Egypt to
march against the closed boarder with Palestine, bringing badly needed humanitarian supplies. To our
dismay the Egyptian authorities did not allow the march to proceed and activists scrambled to make
their voices heard despite the overt repression. Come hear the personal account of one woman's
journey to Egypt with the Gaza Freedom March!

Sponsored by the Greater Boston Stop the Wars Coalition, CODE PINK, BU Students for Justice in
