About Israeli Apartheid Week

Israeli Apartheid Week (IAW) is an annual international series of events held in cities and campuses across the globe. The aim of IAW is to educate people about the nature of Israel as an apartheid system and to build Boycott, Divestment, and Sanctions (BDS) campaigns as part of a growing global BDS movement.

Lectures, films, and actions will highlight some of the successes of the BDS movement and build / support ongoing campaigns. Speakers and full programme for each city will be available on this website. Join us in making this a year of struggle against apartheid and for justice, equality, and peace.
