Gaza Freedom March Report Back

With Sarah Roche-Mahdi

Thursday
Feb. 11th
6:30pm
Boston University, Kenmore Classroom Building
room 101
565 Commonwealth Ave.

The Gaza Freedom March brought together hundreds of people from 43 countries, including high-profile leaders, to challenge the inhumane and illegal siege on Gaza. Organized by the US based CODE PINK and UK based Viva Palestina, the march was intended to bring hundreds of people to Egypt to march against the closed boarder with Palestine, bringing badly needed humanitarian supplies. To our dismay the Egyptian authorities did not allow the march to proceed and activists scrambled to make their voices heard despite the overt repression. Come hear the personal account of one woman's journey to Egypt with the Gaza Freedom March!

Sponsored by the Greater Boston Stop the Wars Coalition, CODE PINK, BU Students for Justice in Palestine, Socialist Party USA
