A Celebration of the Heritage of Palestine and its Legacy of Resilience

What is the Palestine Children's Relief Fund?

The Palestine Children's Relief Fund is a registered non-political, non-profit, 501(c)3 tax-exempt organization that was established in 1991 by concerned people in the U.S. to address the medical and humanitarian crisis facing Palestinian youths in the Middle East. It has since expanded to help suffering children from other Middle Eastern nations like Iraq, Lebanon, and Syria based only on their medical needs.
