Subject: Re: antisemitic event at SFSU

Dear President Wong,

We commend you for your statement condemning an on-campus event which glorified murder, and for your acknowledgement that there is “no place at SF State for celebrating violence or promoting intolerance, bigotry, anti-Semitism or any other form of hate-mongering.” We also commend you for initiating an investigation of what we believe is clearly an antisemitic event.

We hope that at the end of your investigation, all those responsible for this incident — whether students, faculty, or staff — will be disciplined for their behavior, which violates the tenets of civil discourse and may be unlawful.

We and other concerned members and supporters of the Jewish community are eager to know what steps you will take to ensure that such behavior is appropriately addressed and does not re-occur at San Francisco State University.

Sincerely,
