*Have you heard about UIUC's firing of Palestinian scholar Steven Salaita for his personal tweets about Israel's assaults on Gaza this past summer?*

*Have you heard about the five year travel audit of Palestinian scholar Rabab Abdulhadi's research in Palestine resulting from the AMCHA Initiative's false accusations and misrepresentations of her to state officials? Do you know about the AMCHA Initiative?*

*Have you heard about discussions within the CSU and UC systems to censor faculty who are members of professional associations who have endorsed USACBI or who have supported BDS campaigns?*
