

## Take Action!

Following the UAW 2865 BDS vote, where 1,136 members additionally pledged to personally engage in a discriminatory boycott of Israeli universities and scholars, please join us in writing and/or calling the Chancellors of the 9 UC teaching campuses with the request:

**Please issue a public statement affirming your commitment to strictly enforcing the Regents Policy on Course Content and to ensuring that Jewish and pro-Israel students have access to a safe and non-discriminatory learning environment.**

To email all 9 Chancellors in one email (copy & paste these email addresses):
