

Appendix 1

Excerpted from Title VI – International Education Programs Part A – International and Foreign Language Studies

SEC. 601 (a) FINDINGS. – Congress finds as follows: (1) The security, stability, and economic vitality of the United States in a complex global era depend upon American experts in and citizens knowledgeable about world regions, foreign languages, and international affairs, as well as upon a strong research base in these areas...(4) Systematic efforts are necessary to enhance the capacity of institutions of higher education in the United States for – (A) producing graduates with international and foreign language expertise and knowledge; and (B) research regarding such expertise and knowledge.

(b) **PURPOSES.** – The purposes of this part are - (1)(A) to support centers, programs, and fellowships in institutions of higher education in the United States for producing increased numbers of trained personnel and research in foreign languages, area studies, and other international studies; (B) to develop a pool of international experts to meet national needs;...(D) **to promote access to research and training overseas, including through linkages with overseas institutions...**

Excerpts from Guidelines of Palestinian Campaign for the Academic & Cultural Boycott of Israel¹ (PACBI) that Directly Contravene Title VI

“PACBI urges academics, academic associations/unions, and academic -- as well as other -- institutions around the world...to boycott and/or work towards the cancellation or annulment of events, activities, agreements, or projects involving Israeli academic institutions...”

“Specifically, the following events, activities, or situations are in violation of the Palestinian academic boycott:

1. Academic events (such as conferences, symposia, workshops, book and museum exhibits) convened or co-sponsored by Israel, complicit Israeli institutions or their support and lobby groups in various countries...
2. Research and development activities that fall into these broad categories:
 - a. Among academic institutions – Institutional cooperation agreements with Israel universities or research institutes...
 - b. Among the Israeli government and other governments or foundations/institutions...
 - c. Among corporations and academic institutions...

...

5. Study abroad schemes in Israel for international students...

...

10. ... international faculty should not accept to write recommendations for students hoping to pursue studies in Israel, as this facilitates the violation of guideline 11 below.
11. International students enrolling in or international faculty teaching or conducting research at degree or non-degree programs at an Israeli institution...”
