As chancellors of the University of California campuses, we write to reaffirm our long-standing opposition to an academic boycott of Israeli academic institutions and/or individual scholars. Our commitment to continued engagement and partnership with Israeli, as well as Palestinian colleagues, colleges, and universities is unwavering. We believe a boycott of this sort poses a direct and serious threat to the academic freedom of our students and faculty, as well as the unfettered exchange of ideas and perspectives on our campuses, including debate and discourse regarding conflicts in the Middle East.
